Abstract

Please give a long abstract of the paper of about **500 words maximum**. For research studies, abstracts should give a pertinent overview of the work.

We strongly encourage authors to use the following style of structured abstracts, but without headings: **(1) Background:** Place the question addressed in a broad context and highlight the purpose of the study; **(2) Methods:** briefly describe the main methods or treatments applied; **(3) Results:** summarize the research's main findings; **(4) Conclusions:** indicate the main conclusions or interpretations.

The abstract should be an objective representation of the research and it must not contain references.

Keywords: keyword 1; keyword 2; keyword 3 (List three to 5 pertinent keywords specific to the subject discipline.)

Font type and format

The font type, size and spaces to be used are those indicated in this document, which can be used as a template. So, please do not modify word style or size, nor format of headings (including italics and in bold).
